

ISG Update Clay Cross Active

ISG

ISG September Newsletter

Message from Project Manager, Sean Smithson;

I hope the local community have enjoyed the past few weeks seeing the project come to life. We have had a busy few weeks in the ground completing foundations to allow the commencement of the steel frame. The structure of the building will really take shape between now and Christmas.

Current and Upcoming Works:

- Groundworks and drainage
- Erection of the steel frame.
- Formation on the floor slabs.

Please note, **the existing swimming pool and gym will remain open to users**. Further details can be found on the Council's website.

Supporting Local People:

We have been busy this summer, volunteering time to help support The Hub and St Barnabas Centre.

The St. Barnabas Centre was opened in November 2007 as a modern purpose-built community hub.

Activities we have helped support:

- Donation including games, toys, and books for various age groups.
- Volunteering time at the Youth Club to help maintain the venue.
- Painted rooms and de-weeded exterior at the Hub.

Considerate Constructor

We are a founder member of the Considerate Constructors Scheme and take our role very seriously, working hard to minimise the impact of our works on residents.

We are committed to minimising any inconvenience that may be caused during the project so if you have any concerns, please contact:

Project Manager **Sean Smithson** via email on sean.smithson@isqltd.com

Any ideas in how we could support the community? Please contact: Santina.Virk@isqltd.com
